Yale Engineering and Science Weekend 2016

Tentative Schedule – subject to change. To register for YES-W, please visit http://www.admits.yale.edu

SUNDAY

8:00 am - 5:00 pm
Yale Bulldogs Basketball vs. Dartmouth
Payne Whitney Gymnasium
See Yale school spirit in action while you watch the Yale Bulldogs men’s basketball team take on Dartmouth in their final home Ivy League game of the season. Students will have to leave this event early to go to Junk Yale Wars.

9:00 am - 1:00 pm
Open House
Yale College Admission Office
Meet your future classmates at the Yale College Admissions Office.

3:30 pm - 5:00 pm
Junk Yale Wars
Center for Engineering, Innovation, and Design
Show off your creative side and work as a team with a group of YES-W students to build a noise-making, mind-blowing Rube Goldberg machine. Current Yalies can’t wait to help you design and build something awesome! We will supply all the materials you could ever desire to construct a crazy contraption with fellow YES-W students. Take a look inside your YES-W folder for your teams.

5:00 pm - 8:00 pm
Bluebook & Chill
Calhoun College and Jonathan Edwards College Butteries
Relax in one of our famous late-night butteries playing pool, ping-pong, foosball, and other games with YES-W alumni. We would love to see you there, but feel free to get some rest before Day Two of YES-W 2016.
SUNDAY

8:30 am – 9:00 am
Welcome Breakfast
Kroon Hall
Come grab a bite to eat and meet the Welcome Address speakers and the YES-W team for breakfast. If you would prefer to take a shuttle to Kroon Hall instead of walking, shuttles will depart from both the High Street Gate of Old Campus (67 High Street) and the intersection of College St. & Wall St. at 8:15 am, 8:30 am, and 8:45 am.

9:00 am - 9:45 am
Welcome Address
Kroon Hall Auditorium
Dean of Admissions Jeremiah Quinlan will introduce Sarah Demers (Horace Taft Associate Professor of Physics), Steve Girvin (Eugene Higgins Professor of Physics & Applied Physics, Deputy Provost for Science & Technology), and Vincent Wilczynski (Deputy Dean of the Yale School of Engineering & Applied Science, James S. Tyler Director of the Center for Engineering Innovation and Design).

10:00 am – 10:45 am
Master Classes I
Kroon Hall
Yale is well-known for world-class faculty. Master Classes are an opportunity to hear lectures and participate in an intellectual dialogue with some of our most notable professors.

11:00 am – 12:00 pm
“Making It” at Yale: Innovation and Entrepreneurship
Kroon Hall Auditorium
The Yale Entrepreneurial Institute (YEI) and the Center for Biomedical and Interventional Technology (CBIT) are two of Yale’s greatest resources. Join us for a presentation on entrepreneurship opportunities available to all Yale students.

12:00 pm – 12:45 pm
Lunch
Kroon Hall Atrium
Join us for a catered lunch in Kroon Hall.

12:45 pm – 1:45 pm
Peabody Museum of Natural History Tour
Peabody Museum of Natural History
Embark on a VIP trip through the museum and explore Yale’s rich history in the natural sciences. Wander through the Great Hall of Dinosaurs, view labs and collections not normally open to the public, and learn about ongoing research from scientists and professors. (Please note: this tour is only open to students.)

12:45 pm – 1:45 pm
Parent Forum
Kroon Hall Auditorium
Parents – join us for a conversation with Residential College Deans and Freshman Counselors to learn more about the Residential Colleges and residential life at Yale.
SUNDAY

2:00 pm – 2:45 pm
**Master Classes II**
*Kroon Hall*

Yale is well-known for world-class faculty. Master classes are an opportunity to hear lectures and participate in an intellectual dialogue with some of our most notable professors.

3:00 pm – 4:15 pm
**Science and Engineering Symposium**
*Kroon Hall Auditorium*

We’ve assembled Yale College’s top science and engineering undergraduates to showcase their cutting-edge research. The symposium will feature four undergraduate talks.

4:15 pm – 5:15 pm
**Beyond Yale: Alumni Panel**
*Kroon Hall Auditorium*

How do the science and engineering classes and opportunities at Yale prepare you for life after college? Engage with some of our recent alumni to discuss how their undergraduate years as Yale scientists and engineers shaped their trajectories.

5:30 pm - 7:00 pm
**Family Night Dinner**
*Residential College Dining Halls*

Join your hosts and their suitmates for Family Night Dinner in one of Yale’s twelve distinct residential college dining halls. Family Night is one of the most festive evenings of the week, and each college’s dining hall is reserved exclusively for students of that college. If you are interested in eating dinner with the YES-W team, feel free to join them in the Morse College Dining Hall at 6:00 pm.

8:30 pm – 10:00 pm
**Entertainment Extravaganza**
*Morse College Crescent Theatre*

The Office of Undergraduate Admissions presents Yale’s most extraordinary student performing groups together in one show. Get ready for an evening of excitement and hilarity watching Yale student musicians, dancers, singers, poets, comedians, and more.

10:30 pm -
**Bluebook & Chill**
*Jonathan Edwards and Pierson College Butteries*

Dig into a bowl of liquid nitrogen ice cream made by the Yale Drop Team. Relax in one of our famous late-night butteries.
Monday

8:00 am - 9:00 am
**Breakfast**
*Silliman College Dining Hall*
Grab some hot breakfast in the Silliman Dining Hall, and look for specially marked YES-W tables.

9:00 am – 11:30 am
**Shopping Period**
*Yale Campus*
After breakfast, check out some of Yale’s award-winning, world renowned science and engineering professors in action.

11:30 am - 1:00 pm
**Lunch with a Faculty Adviser**
*Residential College Dining Halls*
Yale faculty members are especially known for their accessibility. Join our Yale professors for the final lunch of YES Weekend. You will have the opportunity to sit down with a faculty member, personally matched for you based on your interests. Get to know our faculty in an intimate setting while dining in one of our residential college dining halls.

1:00 pm - 2:30 pm
**Shopping Period**
*Yale Campus*
After lunch, check out some of Yale’s award-winning, world renowned science and engineering professors in action.

3:00 pm – 4:15 pm
**Master’s Tea with Meg Urry**
*Leitner Observatory*
Join Dean of Undergraduate Admissions Jeremiah Quinlan for a discussion with Meg Urry, President of the American Astronomical Society and Professor of Astrophysics.

4:15 pm – 5:30 pm
**Concluding Reception**
*Leitner Observatory*
Join the YES-W team for a concluding reception to say goodbye. We can’t wait to see you back on campus for Bulldog Days!
